

# Is your farm business prepared for the new Work, Health & Safety Regulations?

Andrew Storrie, AGRONOMO, can take the worry out of making your business WH&S compliant by providing personalised services.

## AGRONOMO provides the answers to these questions:

- How do I make my business compliant?
- Where do I start?
- What paperwork do I need?
- Do I need to train my staff?
- What about casual staff?
- What is my responsibility to contractors?

With over 40 years of experience as an agronomist, Andrew Storrie of AGRONOMO understands broadacre farming and can apply this knowledge specifically to farm work health and safety systems. This sets him apart from other WHS consultants who come from mining or human resources sectors.

## AGRONOMO will:

- ☑ conduct an ON-SITE WHS audit of YOUR BUSINESS
- ☑ develop your health and safety plan with YOUR input
- ☑ Develop a safety action plan
- ☑ Identify training needs
- ☑ Provide on-site training
- ☑ Organise registers, check lists and safe work method statements specific to your business
- ☑ Send updates and reminders FOR YOUR farm WHS systems

Andrew Storrie has Certificate IV in Work Health and Safety BSB41415, as well as Certificate IV in Training and Assessment TAE40116.
